## Open Ended Comments

List at least two things positive about this course:

Comments
The material covered in the lectures was on the exams. Bowen Liu took suggestions on making the class more accommodating
Clearly explained the material to students and made expectations for assignments clear. Instructor was also readily available to help students.
The instructor made sure everyone understood the material before moving on to a new subject and also made sure everyone was clear with the instructions he gave.
one thing about this course was that the professor was very lenient and understanding, the other positive was that we were able to work with other classmates for this course.
I liked the assignments and the lectures.

List at least two things that would improve this course:

Comments
If Pearson mylab was dropped That's it
None
The instructor could be more strict and the instructor could encourage more class participation.
One thing that can improve from this course is more examples of what we are learning on canvas and another would be if we can get more feedback from the professor.
It was hard to understand at times and was I was a little confused.
